

ALUMNI ASSOCIATION NETWORK

CALL FOR PAPERS

August 1, 2009

The Alumni Association Network (AAN) Advisory Board, Officers, and Directors as well as entities with [AAN Institutional Membership](#) (not Sponsored Research Scholars) are welcome to have a 2-line "Call for Papers" request with an embedded link directing visitors to the guidelines posted quarterly (i.e., January, April, July, October) in the International Blog (IN-Blog) section.

The IN-Blog allows visitors from across the globe to view multiple requests without receiving multiple emails. Information presented in the IN-Blog might stimulate scholastic practitioners to submit more peer-reviewed articles, which can be developed at the Scholastic Research Institute ([SRI](#)).

The IN-Blog will not contain job postings, announcements of events or new degree programs, recognitions, and so forth. This type of information can be posted in the Institutional Membership area in the Classified, Event, or Shout box areas.

All submissions must be emailed to CEO@alumniassociationnetwork.org by the 25th of the months prior to the posting timeframes. Each posting to the IN-Blog will remain for a minimum duration of one (1) month and removed at the discretion of the association.

Thank you for your submission.
