

# ALUMNI ASSOCIATION NETWORK

**PRESS RELEASE**

November 17, 2007

**For Immediate Release**

Five (5) images have been designed for learners who desire to show appreciation for their instructors (facilitators and professors), mentors (personal and professional), and colleagues' efforts and support. Sometimes, as an educational learner, the journey can be stressful, and with the assistance of others, the journey can be exciting.

*Show Your Appreciation by Sending Personal Greeting Cards!*

## *Card System*

Please view the conditions and terms for purchasing a card system with many options (cards) to select. The card system is independent from the Alumni Association Network (AAN). AAN will not be held liable for the purchase and use of any card systems purchased by the learners. To access and order a card system, watch the following link and click on "About Us" and "Join":

## *AAN Images*

After purchasing a card system, send payment of \$20.60 (includes tax and paypal.com service charge) to [brigittebrenda@aol.com](mailto:brigittebrenda@aol.com) to purchase the five images indicated on this web page and upload into the card system. Go to the Main Menu, click on Picture Plus Cards, and add Images. Once loaded, click on the image, add a key word (e.g., Anniversary, Birthday), and press Create a Picture Plus Card (do not modify) and Save Card. Return to the Card Catalog, and click on Picture Plus Cards under the My Cards tab. In the comment line of paypal.com, learners are to indicate the university the learner is attending, field of interest, and the degree level. By purchasing AAN's images, learners agree to not sell, transfer, and/or alter any of the images. Refunds will not be honored once images are emailed to the learner.

Best wishes on your journey,

The Alumni Association Network
